# *“La Maison du Maître”*

- *Built in a cluster in a picture-perfect area crossed by three rushing streams that don't freeze up in winter, bordered by two small lakes on one side and the golf course on the other. This brand new executive 3 bedroom home has 1700 square feet of floor space. It is furnished exquisitely and is for the luxury condo market. Enter a world of leisure as you step through the door.*
- *And , of course, Tremblant resort, its skiing and many other activities, is just five minutes away*
- *Planned in a community clusters with a sense of belonging - golf communities offering all sorts of activities in addition to golf including cycling and cross-country skiing on the trails that pass by on the edge of the course, tennis, swimming at the clubhouse pool or at the two-tiered beach on the Diable River*
