Review Text: "First of all the home was AMAZING!! We have never seen anything like it, everything was 10 times better than we had anticipated. We had a large group and there was lots of room for everyone and more.

The house is fully equipped, just bring yourselves and nothing else! The kitchen was beautiful, the experience was a one of a kind. I don't think anything can beat this trip for a long way to come. Close to everything, yet lots of privacy.

The homeowner was such a delight, very generous and helpful. It was an overall A+++ experience, from the time of booking to the time of checkout. Highly recommended and we will definitely go back again.

BEAUTIFUL home!!!"

Review Text: "I want to sincerely thank you, on behalf of everywhere on the trip, for allowing us to experience that wonderful house and thank you for looking out for us and showing us around. Everyone said how generous you are - offering the house for the whole last day and checking on us during the storm. You helped make the trip extra special and we really appreciate it!

My mother has never been celebrated in such a big way and she'll never forget her 60th!!

Hopefully we'll be up that way again soon. Mont Tremblant is WONDERFUL!! I can't believe we'd never taken the time to get up there before now!

Thank you again for your generosity.

Cheers,

Cyndy

Review Text: "We had a great stay! Your home was just perfect for our needs. So beautiful, spacious, clean and open. Ideal for big groups and great for bringing young children.

The view was breathtaking and location is minutes from the village. We appreciate the extra day that was given to us free of charge due to the storm.

That was VERY generous of you and we were very thankful that we didn't have to drive back in those horrible conditions making our stay all the more pleasant and relaxed.

Our group of friends always have an annual Christmas get together and we hope to return to your place again next year.

We are now also considering to come up as a group this summer as well. Thanks again! "
